INTERNATIONAL ACTIVITIES

INTERNATIONAL ACTIVITIES

2019 - 2020

The Community of Living Ethics is a non-religious cultural association. All activities are inspired by the study and application of the principles of Living Ethics.

If you wish to experience the Community you can choose among several possibilities, from one day visits without accomodation to a residential stay. You can also attend a weekly class, or participate to the "Light your Fire" week, especially designed for people who want to experience our Community model. You can also come for volunteering or service experience or for a stay at the Community without a specific commitment of service.

Wesak Celebration

The Light of consciousness opening to the manifestation of the Good

Three days service experience and seminar

The full moon of Taurus, or the Wesak Festival, can be considered the most important spiritual event of the year. It is celebrated in many countries around the world and is connected to Lord Buddha and the Christ.

Wesak offers Light and Vision on the Path, both at individual and group levels. It is an occasion to strengthen inner certainty and stability that will then develop into creative work and a willingness to embrace renewal.

May Wednesday 6 (4.30 pm) – Friday 8 (7.30 pm)

Place of activity: Aula della Cultura

We remind you that after the Wesak Celebration, on **May 9th, 2020 from 9.30 am to 1.00 pm** there will be the yearly **Community's Shareholders Meeting**.

Access level: reserved to ordinary members

Our activities in India

SAVE THE DATE

“ Science marches ahead with such gigantic strides that the next step will soon be realized, namely, that of collaboration with the Cosmos. Then cosmic consciousness will cease to frighten even obvious ignoramuses, and will become a normal factor [...] then will spiritual unity come into being. ”

Elena Roerich, 17.1.1936
